I realize that most good things in life do not come easily.

They take hard work, perseverance and teamwork.

The Black Belt Club is a team of individuals who are striving for and dedicated to excellence in all aspects of life.

As a Black Belt Club Member, I will do my best to support my fellow Black Belt Club Members in motivation, training and in whatever areas of life they need support. I also hereby accept the support and encouragement of my fellow students and my instructors. Additionally, I will support the school and community by continuously striving for quality and growth.

In the school -- I will strive for quality and growth in my Martial Arts skills. I will assist other students in and out of classes, demonstrations and other school functions. I will assist in the growth of others and the entire school.

In the community -- I will strive for quality and growth in my personal life. I will lead others by exemplifying the principles of the Black Belt: Honesty, Modesty, Courtesy, Integrity, High Moral Code, Perseverance, Courage and Indomitable Spirit.

I will do my best to spread the feelings of encouragement and goodwill among my fellow students.

I will use my physical and mental efforts to the best of my ability to strive for Black Belt Excellence, not only in the Martial Arts, but also in all the things that I do in life.
